\*SPM BM is not required upon admissions, however before completion of the medical degree programme.

#### Age of Applicant

Any applicant must be of age (18 years old) before departure to Ireland for commencement of the Undergraduate Medicine programme.

#### Applicants from the European Union (EU)

RUMC does not accept applicants from individuals eligible for the Central Applications Office (CAO). Prospective applicants are advised to confirm their eligibility through the CAO website before applying to RUMC.

**International Qualifications** not listed in the entry criteria will be submitted to UK ENIC for qualification equivalency assessment against Cambridge A-Levels standard upon complete submission into the application portal. This verification process will take approximately six working days.

Under **certain circumstances**, applicants may be required to complete a **Letter of Undertaking (LOU)**, witnessed by a lawyer or commissioner of oaths, upon receiving the RUMC Offer Letter.

#### Examples include:

- Applicants holding a passport from a country that does not recognise qualifications from National University of Ireland (NUI).
- Indian applicants who do not intend to practice medicine in India.
- Other criteria to be considered case-by-case basis.

**NEET Exam** refers to the National Eligibility cum Entrance Test, required for Indian nationals who wish to work in India as a medical practitioner.

**Eligible applicants** who meet the entry criteria will be invited to participate in a mandatory admissions interview following a thorough review of the submitted application through the portal. A successful interview will lead to the issuance of an offer letter.

Interview invitations will be sent to applicants; those who do not attend the interview after the third invitation will be considered to have declined the offer.
